### EDUCATION

**EURECOM**, Campus Sophia Antipolis

**PhD Student(Octo 2019- NOW)**: I am a PhD Student in the Data Science department, supervised by [Professor Paolo Papotti](#). I am researching methods of computational fact-checking where I am trying to automate some parts of the fact-checking pipeline. Specifically, I look at reasoning with structured data using natural-language processing methods.

**Telecom ParisTech/Eurecom**, Campus Sophia Antipolis

**Data Science & Engineering (2017-2019)**: I am part of the double-degree arrangement between Telecom ParisTech and the Lebanese University.

**Lebanese University-Faculty of Engineering (2013-2017)**, Hadath, Mount Lebanon

Electrical & Electronics Engineering
